A top-down view of a wooden desk. On the left, there is a white cup filled with dark coffee. Below the cup is a white smartphone with a black screen. To the right of the phone is a small white rectangular object. In the top right corner, there are some green leaves of a plant.

# STATIONERIES

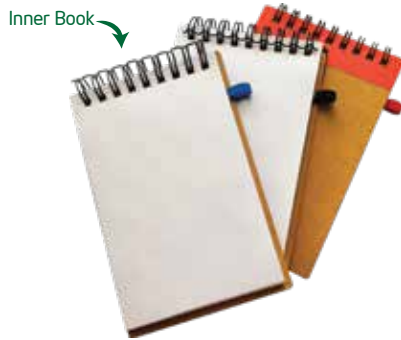

DID YOU KNOW.....

It has been calculated that one pine tree  
can make just over 80,000 sheets of paper.

| Printing Method | Silk Screen<br>Sublimation | As Per Umbrella Size |
|-----------------|----------------------------|----------------------|

A close-up photograph showing a person's hands working on a project. The left hand, wearing a gold ring on the ring finger, holds a dark, rectangular object steady. The right hand uses a utility knife with a red handle to cut along the edge of the object. The background is a light-colored, textured surface, possibly a workbench. A semi-transparent text box is overlaid on the right side of the image.
